

USAA AMERICAN HEROES: HEDY LAMARR :30  
C. Grogan/Draft 1

ANN:           HERE'S MEDAL OF HONOR RECIPIENT COLONEL JACK  
JACOBS, BRINGING YOU A SALUTE TO AMERICAN HEROES.

COL.:           IN MOVIES WITH CLARK GABLE AND SPENCER TRACY, SHE  
WAS A HOLLYWOOD GLAMOUR GIRL. BUT HEDY LAMARR WAS ALSO CO-  
CREATOR OF A SYSTEM THAT WOULD MAKE ELECTRICAL SIGNALS SHIFT  
TO CONFUSE ENEMY TORPEDOS. NOT ONLY DID THAT PROVE USEFUL  
TO THE MILITARY, IT BECAME THE BASIS FOR MUCH OF TODAY'S  
WIRELESS TECHNOLOGY. NO SURPRISE THEN THAT THIS DARK-EYED  
BEAUTY IS A MEMBER OF THE INVENTOR'S HALL OF FAME.

ANN:           THIS TRIBUTE TO AMERICAN HEROES BROUGHT TO YOU  
BY USAA, PROUDLY SERVING THE FINANCIAL NEEDS OF CURRENT  
AND FORMER MILITARY AND THEIR FAMILIES.
